WOMAN INSANE AT TIME OF HOMICIDE

Mrs. Gwaltney, Charged With
Murder of Her Husband,
Is Acquitted.

(Special to The Times-Dispatch.)
Kenbridge, Va., June 26.—Mrs. Alma C. Gwaltney, charged with the murder of her husband in Kenbridge on October 15 last to-day was acquitted on the ground of insanity at the time of the homicide. The jury was out only about three minutes. Mrs. Gwaltney was represented by McNeill, Higgins and Iacini, while the prosecution was assisted by Mr. Harrison, of Disputants.

The case was characterized by the number of physicians who testified, including Dr. William F. Drewry and Dr. A. S. Priddy, two experts on insanity, who gave it as their opinion that the accused was insane in October, although sane at this time.

DIES IN GREAT AGONY.

Miss Lucy Brooke Fatally Injured by
Explosion of Alcohol Stove.

(Special to The Times-Dispatch.)
Winchester, Va., June 26.—Miss Lucy Brooke, daughter of Rev. Frank J. Brooke, of the Presbyterian Church, who was terribly burned late Monday night by the explosion of an alcohol stove, upon which she was heating milk, lingered until last night and died in great agony. Her father smothered the flames with a blanket and extinguished the fire, which had started in other portions of the room, and his hands were badly burned in doing so. Funeral services will be held in Romney on Thursday morning and her remains will be interred on Friday in Richmond, where Dr. Brooke's family formerly resided.

EMPLOYED AS PACKERS

Students of Georgia Institutions En-
gaged in Peach Industry.

Port Valley, Ga., June 26.—From the lecture rooms of four Georgia educational institutions—University of Georgia, Mercer, Emory and Georgia School of Technology—more than 100 students came here yesterday to become peach packers for several weeks. Lusty "Rah Rabs" frequently are heard in this quiet village as a result of the invasion of the collegians, who, not having secured temporary employment in the cities during the vacation period, decided to spend the summer in one of the large fruit-growing sections of the State.

Warren-McClure.

(Special to The Times-Dispatch.)
Spotsylvania, Va., June 26.—Captain William B. Warren and Mrs. Alice A. McClure, both of Spotsylvania county, were married to-day in Fredricksburg by Rev. Leatur Edwards, of the Baptist Church. The bride is the widow of David McClure, of Indiana, and the daughter of the late Anderson Wheeler, of Spotsylvania county. Mr. and Mrs. Warren will reside in Spotsylvania county.

BILL AIMED AT "NEAR BEER."

Most Important Matter Before the
Georgia Legislature.

Atlanta, Ga., June 26.—The Georgia Legislature met to-day for its annual fifty-day session. The Tipping bill, aiming to prohibit the sale of beverages containing more than one-half of 1 per cent of alcohol, is regarded as the most important legislative matter in sight. The bill would halt the traffic in "near beer."

The Georgia Game Protective Association

will push certain measures to
protect woods creatures.

Another proposed law is designed
to protect the people from "wildcat"
investment schemes.

MAY ENTER WILMINGTON.

Reported That Norfolk Southern Plans
Extension.

Wilmington, N. C., June 26.—Rumors are current here to the effect that the Norfolk Southern Railroad is preparing to enter Wilmington. One of more surveying parties has been at work in the northeastern section of the county for the past several weeks, and it is said that members of the parties have stated, in answer to inquiries, that they were surveying for a railroad project.

A local engineering firm has been engaged in surveying through the Acorn branch section and even to the doors of the city at Smith's Creek, which fact, in connection with the well-founded rumors that property owners in that part of the city have been approached by outside capitalists who offered to buy or take options on their property, lends credence to the reports that a railroad is back of the work.

It is also known that a surveying party has been at work in Fender county, and also around the Chincopin section in Duplin county.

Kinston is the Norfolk Southern's nearest point to Wilmington, a distance of about seventy miles. However, a road from Kinston to Pink Hill, Lenoir county, a distance of fifteen miles, is said to be controlled by the Norfolk Southern.

There is a logging road between Pink Hill and Beaufort, Duplin county, a distance of eight or ten miles.

If the Norfolk Southern would build from Wilmington to Pink Hill, the distance in a direct line would be about forty-five miles, and if the logging road could be utilized it would require something less than forty miles of road to connect the two cities. While something definite has not been decided with regard to the project.

Mr. Stock Owner
do you give your sick animals
doped medicines? Did you
ever think of that?

Many animals die after treat-
ment with doped medicines
which are worse than none at
all.

An animal with a weak heart or run-
down condition cannot stand being
drugged. When the reaction sets in
they usually die.

You should take as much care in
doctoring your stock as you would
your family.

Noah's Horse Remedies
are medicines—not dope. Be on the
safe side by giving your animals these
tested remedies.

Noah's Colic Remedy is recommended for that
most dangerous disease, Colic, and is harmless in
its effect. Simple to administer—given on the
spot. Cheap in price—50c a bottle, and worth
\$2.00 to any stock owner.

Noah's Fever Remedy is a medicine for fever,
coughs, colds, distemper, influenza, lung troubles,
and the treatment of milk fever in cows. Given
on the tongue. Two sizes, 50c and \$1.00.

Noah's Liniment is the best all-around family and
stable remedy on the market. Cures rheumatism,
chloroform, ammonia, naphtha, benzine, or
poisonous drugs. Cuts, 50c, and \$1.00 a bottle.
Gallon cans at \$2.00.

These remedies are sold by all dealers in medi-
cine. Made in Richmond by the Noah Remedy Co.

It has been using
Noah's Liniment and
Noah's Colic Remedy
on our stock with the
best results, and find
them to be the best
remedies of the kind I
have ever used, and
recommend them to
stock owners.—D. J.
Griffin, Capt. S. C.
Penitentiary, Colum-
bia, S. C.

"My stable boss says
the best he ever used,
especially the liniment
for the cure of sore
shoulders, with which
we have had so much
trouble. He also com-
mends your colic reme-
dy as being fine and as
being cured.—T. J. Davis,
Supt. State Farm,
Lanett, Va."

WILLIAM WILKINS GETS 18 YEARS

Negro Who Burnt F. W. El-
more's Property Is
Convicted.

A dispatch has been received by
Colonel Joseph Patton, Commissioner
of Insurance, announcing the convic-
tion of William Wilkins, colored, for
arson by a jury in the Brunswick
county Circuit Court, the conviction
carrying a penalty of eighteen years
in the penitentiary. Wilkins was ar-
rested by an operative of the Bureau
of Insurance and prosecuted on evi-
dence furnished by the bureau. His
sentence of eighteen years is the sec-
ond maximum penalty to be imposed
in the State since the new law rela-
tive to arson became effective.

Wilkins set fire to and destroyed a
tobacco barn, stable, feed house and
live stock, the property of F. W. El-
more, of Poole, Brunswick county, on
December 20, 1911.
